Sommario/riassunto	<p>The fact is, because they're the ones actually doing the day-to-day work front-line employees see a great many problems and opportunities that their managers don't. But most organizations do very poorly at tapping into this extraordinary potential source of revenue-enhancing, savings-generating ideas.Ideas Are Free sets out a roadmap for totally integrating ideas and idea management into the way companies are structured and operate. Alan Robinson and Dean Schroeder draw on their ten years experience with more than three hundred organizations in fifteen countries to show precisely how to design</p>
