Sommario/riassunto	In Indonesia, the past two decades have been a time of great progress but also massive transformations and abrupt setbacks. In this context, this book reviews the main characteristics of - and trends in - demand for skills in Indonesia. It seeks to document the existence of a possible skills mismatch between employer demands and the available supply, the contribution of the education and training sector to this mismatch, and possible measures to improve the education and training system's responsiveness to what the labor market and the economy need. In today's job market in Indonesia, there are

Sommario/riassunto	The Willow's Whisper brings the voices of 35 poets from the Irish and Native American communities together in one compilation. This

collection of poems provides an aesthetic commentary on the potential which is beyond and within the everyday. From Gabriel Rosenstock and Biddy Jenkinson to N. Scott Momaday and Karenne Wood, mother-earth comes to life through each sound and syllable, and reawakens our senses to the world at its most beautiful and evocative. This volume will aid us to reconnect ...
