Sommario/riassunto	<p>Diese Monographie stellt einen wesentlichen Teil der wissenschaftlichen Ergebnisse der archaologischen Ausgrabungen in der bronzezeitlichen Siedlung von Punta di Zambrone an der tyrrhenischen Kuste von Kalabrien (Suditalien) vor, die von 2011 bis 2013 im Rahmen einer italienisch-osterreichischen Kooperation durchgefuehrt wurden. Das Buch ist der erste Band einer der Abschlusspublikation dieser Grabungen gewidmeten Reihe und behandelt schwerpunktmae3ig den spaeteren Abschnitt der Siedlungsgeschichte (13.-12. Jh. v.u.Z.). Die behandelten Themen umfassen die Topographie des Fundorts (einschlie3lich seiner Hafenbucht), seine Chronologie, Untersuchungen zu den wirtschaftlichen Grundlagen der bronzezeitlichen Siedlungsgemeinschaft und ihrer lokalen, regionalen und uberregionalen Verbindungen.</p> <p>This monograph presents a major part of the scientific results of the archaeological excavations at the Bronze Age settlement site of Punta di Zambrone on the Tyrrhenian coast of Calabria (southern Italy), conducted from 2011 to 2013 in an Italian- Austrian cooperation. The book is the first in a series dedicated to the final publication of those</p>

excavations and focuses on the later part of the settlement history (13th-12th cent. BCE). Major topics include the topography of the site (including a harbour bay), its chronology, investigations into the economic basis of the Bronze Age society and its local, regional and interregional interactions.
