

1. Record Nr.	UNISALENTO991003439549707536
Titolo	Cell and molecular biology of vertebrate hard tissues[editors David Evered (Organizer) and Sara Harnett]
Pubbl/distr/stampa	Chichester : John Wiley & Sons, 1988
ISBN	0471918857
Descrizione fisica	x, 307 p. : ill., 51 fig., 21 tab. ; 24 cm
Collana	Ciba Foundation symposium series ; 136
Altri autori (Persone)	Evered, David Harnett, Sara
Altri autori (Enti)	Ciba Foundation
Altri autori (Convegni)	Symposium of the Ciba Foundation <136th ; 1987 ; London, GB>
Disciplina	596.01852
Soggetti	Bones - Cytology - Congresses Bones - Differentiation - Congresses Bones - Growth - Congresses Cell differentiation - Congresses Gene expression regulation - Congresses Osteoblasts - Congresses Osteoclasts - Congresses Osteogenesis - Congresses Vertebrates. Calcified tissues. Cells and molecules. Structures and properties
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"Proceedings of a symposium on Cell and molecular biology of vertebrate hard tissues, held at the Ciba Foundation, London, 13-15 October 1987" Contents "A Wiley-Interscience publication"
