| 1. Record Nr. | UNISALENTO991003500729707536 |
| Titolo | Ion gradient-coupled transport : proceedings of the International Symposium on 25 Years of Research on the Brush Border Membrane and Sodium-Coupled Transport held in Aussois (France), 18-20 September 1985 / sponsored by the Institut national de la santé et de la recherche médicale, the Centre national de la recherche scientifique ; editors Francisco Alvarado, Carel H. van Os |
| Pubbl/distr/stampa | Amsterdam : Elsevier Science, 1986 |
| ISBN | 0444807799 |
| Descrizione fisica | xxvii, 442 p. : ill. ; 25 cm. |
| Collana | Inserm symposium ; 26 |
| Altri autori (Persone) | Alvarado, Francisco Os, Carel H. van |
| Altri autori (Enti) | Centre national de la recherche scientifique <Francia> Institut national de la santé et de la recherche médicale <Francia>author |
| Altri autori (Convegni) | International Symposium on 25 Years of Research on the Brush Border Membrane and Sodium-Coupled Transport <1985 ; Aussois, France> |
| Disciplina | 572.87 |
| Soggetti | Biological Transport - Congresses Biological transport, Active - Congresses Brush border membrane - Congresses Ion channels - Congresses Ion Channels - Metabolism - Congresses Microvilli - Metabolism - Congresses Sodium - Metabolism - Congresses |
| Lingua di pubblicazione | Inglese |
| Formato | Materiale a stampa |
| Livello bibliografico | Monografia |
| Note generali | Includes bibliographies and index |
