Nota di contenuto	Book Cover; Title; Contents; Series Editor's Foreword; Acknowledgments; Prologue; Best Books: The Librarian; Best Books: The Scholar; Best Books: The Reader; Epilogue; Notes; Selected Bibliography; Index
Sommario/riassunto	In this pioneering historical study, Anne Lundin argues that schools, libraries, professional organizations, and the media together create and influence the constantly changing canon of children's literature. Lundin examines the circumstances out of which the canon emerges, and its effect on the production of children's literature. The volume includes a comprehensive list of canonical titles for reference.
