Sommario/riassunto

The most practical, authoritative guide to implementing GAAP Until now, accountants have had no guidance for what controls, policies, procedures, forms, reports, or archiving requirements they should use to properly mesh with the latest GAAP. An ideal companion volume to the Wiley GAAP guide, the GAAP Implementation Guide provides the practical application information essential to ensuring that a company's accounting systems are fully capable of incorporating the most recent GAAP. GAAP Implementation Guide features handy, illustrative decision trees showi
