Sommario/riassunto

"Les Carnets de l'ACoSt, the journal of the Association for Coroplastic Studies, is designed to promote research on coroplastic material, or sculptural objects made in clay, from all regions and all periods. This is accomplished by the rapid publication of the coroplastic research of specialists, young scholars, and those new to the field of coroplastic studies. The word coroplastic comes from the Greek koroplastes that means modeler of images in clay."
