

1. Record Nr.	UNISALENTO991003786219707536
Autore	Demirel, Yasar
Titolo	Nonequilibrium thermodynamics : transport and rate processes in physical, chemical and biological systems / Yasar Demirel
Pubbl/distr/stampa	Amsterdam ; New York : Elsevier, 2007
ISBN	9780444530790 (pbk.)
Edizione	[2nd ed.]
Descrizione fisica	xxiii, 730 p. : ill. ; 27 cm
Classificazione	LC QC318.I7
Disciplina	536.7
Soggetti	Nonequilibrium thermodynamics Rate processes Transport theory Chemical systems Biological systems
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Previous ed.: 2002
Nota di bibliografia	Includes bibliographical references and index
Nota di contenuto	Fundamentals of equilibrium thermodynamics -- Transport and rate processes -- Fundamentals of nonequilibrium thermodynamics -- Using the second law : thermodynamic analysis -- Thermoeconomics -- Diffusion -- Heat and mass transfer -- Chemical reactions -- Coupled systems of chemical reactions and transport processes -- Membrane transport -- Thermodynamics and biological systems -- Stability analysis -- Organized structures -- Nonequilibrium thermodynamics approaches
