Sommario/riassunto

Transform your organization! To truly transform your organization, you must learn to transform your own mindset. Beyond Change Management-the only book specifically about the interaction of leadership style, mindset, and the change process-revolutionizes leaders' approach to transformational change. Shattering the myth that transformation can be managed, this book-part of the Practicing OD Series--offers you new directions and ways of thinking and behaving that are essential for successful change. Its unique approach brings organization development (OD) into the mainstream of leaders'
