Sommario/riassunto

This ebook consists of a summary of the ideas, viewpoints and facts presented by Judge Andrew P. Napolitano in his book "A Nation of Sheep". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Judge Andrew P. Napolitano's book.
Napolitano argues that the current administration has used the fear of terrorism to take away certain inalienable rights and freedoms from Americans.
