### Sommario/riassunto

Elder abuse has been increasingly recognised over the past ten years in many countries and progress has been made in both understanding and addressing the issue. This volume provides a much-needed international overview of the topic. Opening with an examination of what elder abuse is, Amanda Phelan sets it in a theoretical context and looks at assessment and approaches to the issue in residential and community care environments. The book then presents a range of country studies, which provide an overview of the context of elder abuse in the country and a discussion of related policy,
