Sommario/riassunto

This ebook consists of a summary of the ideas, viewpoints and facts presented by Tariq Ali in his book "The Duel: Pakistan on the Flight Path of American Power". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Tariq Ali's book.
Ali shows on how Pakistan's military dictatorship and weak civilian leadership have lead the country to demise. He examines the failed attempts of the US to intervene in their politics and its dangers; moreover he reveals some promises for the countries' future.
