Sommario/riassunto	Improve decision-making skills for community organizations and their leaders?from a participatory perspective! This book will show you how (and why) participatory communities come into being and what they can accomplish, regardless of the current political climate. It also examines leadership?and the skills community leaders need to develop to be most effective. You'll find ethnographic and psychosocial perspectives on the relationship between families and community organizations, leadership interventions designed to facilitate more effective decision-making, and more?all from organiz
