Sommario/riassunto	This volume offers a comprehensive analysis and comparison of the case law and practice of the European Court of Human Rights and the United Nations Committee against Torture in individual cases concerning the principle of non-refoulement. It covers both procedural and material aspects relevant in expulsion and extradition cases submitted by individuals under Article 3 of the European Convention on Human Rights (ECHR) or Article 3 of the United Nations Convention against Torture and other Cruel, Inhuman or Degrading Treatment or Punishment (CAT). The book is a particularly helpful tool for asylum lawyers, human rights advocates, and other practitioners. It is also a reference work of significant value to scholars interested in non-refoulement under both conventions and in the context of human rights or refugee law in general.
