| Sommario/riassunto      | "The Star City Film Festival has taken the Utah ski resort town by storm. Movie stars are everywhere, including The Rescued Word, where Clare Henry and her grandfather restore old typewriters and beloved books. When cinema's hottest superhero, Matt Bane, enters their store to buy |

some personalized notecards, it's hard not to be starstruck, and when Clare sees the police leading Matt out of his hotel in handcuffs only a few hours later, she's convinced he's wrong for that role."
