Sommario/riassunto	How the strategies and tactics of fly fishing can translate to improved trading performance Much like trading, successful fly fishing requires both an understanding of ""big picture"" conditions and the ability to implement tactical techniques to actually catch the fish. In Fly Fishing the Stock Market, Dr. Stephen Morris compares his method for trading stocks with his favorite past time, fly fishing-providing fresh insights into his successful trading approach. Engaging and accessible, this book skillfully describes how Morris applied this approach to generate an astounding 26
