4. The Christian existence --
Notes on the Christian method -- 1. A great premise -- 2. The encounter -- 3. Communion -- 4. Mission -- 5. Culture.

Sommario/riassunto

As a young priest, Luigi Giussani was troubled by Catholicism's inability to effectively deal with secularism or laicism. In 1954 he began to develop a vision of faith rooted in experience. His ideas resonated with students and led to the birth of the Gioventù Studentesca (Student Youth) movement. Known today as Communion and Liberation, the movement is flourishing in Italy and around the world, including Canada, the United States, Brazil, Uganda, and Britain. The Journey to Truth Is an Experience is the first English translation of *Il Cammino al vero è un'esperienza*, Giussani's early works on the Christian experience, written from 1959-64. It begins with a guide on how to live the Christian life within the Student Youth community, followed by a call to base one's relationship with Christ on the example set by the apostles and other figures in the New Testament. Giussani concludes by outlining the movement's mission and the possibility for community, charity, and communion in the Christian life.

3. Record Nr.	UNINA9910792436903321
Autore	Baines Lawrence
