Sommario/riassunto

The only critical guide to the theory and method of Mesopotamian archaeology, this innovative volume evaluates the theories, methods, approaches and history of Mesopotamian archaeology from its origins in the nineteenth century up to the present day. Ancient Mesopotamia (modern Iraq), was the original site of many of the major developments in human history, such as farming, the rise of urban literate societies and the first great empires of Akkad, Babylonia and Assyria. Dr. Matthews places the discipline within its historical and social context, and explains how archaeologists
