Sommario/riassunto	This new agenda for the managerial mind will change the way you think and do business. Eugene Sadler-Smith, a leading intuition researcher and educator in business and management, argues that human beings have one brain but two minds - analytical and intuitive. Management has overlooked the importance of intuition, and under-exploited the potential that the intuitive mind has to contribute in areas as diverse as decision making, creativity, team working, entrepreneurship, business ethics and leadership. "The Intuitive Mind is a fascinating and practical book that wil
