Sommaro/riassunto	Apostles of Modernity offers an original, in-depth study of the literary manifestations of this period of globalism in novels, memoirs, essays, reportage, and political commentary. Through close readings of texts Reynolds revisits and reassesses U.S. internationalism, showing how writers and intellectuals engaged with a cluster of topics: decolonization, the rise of the Third World, Islamic difference, the end of European empires, China's enduring significance, and transatlantic and cosmopolitan identities. Throughout, the ideals of the United States as "'apostle of modernity'" and sponsor of
